

ILLINOIS INTERNATIONAL BUSINESS CALENDAR

October 12, 2026

The *Illinois International Business Calendar* is published by the International Trade Association of Greater Chicago (ITA/GC). The *Calendar* is also available on our website: www.itagc.org. It is published every Friday, and available at no charge.

Inclusion Policy: As a public service to the international business community, we publish a listing of **international business events** for which we receive **written** notification, preferably by e-mail (info@itagc.org). Any organization may submit events that would be of interest to **and are open to** the Illinois international business community. There is no charge. All calendar listings are subject to the editor's discretion. Inclusion of an event does not imply endorsement by any of the sponsoring organizations.

Founded in 1978, the International Trade Association of Greater Chicago (ITA/GC) is a not-for-profit, 501(c)6 voluntary business association dedicated to promoting international commerce in all its forms. The ITA/GC provides a forum for the exchange of practical information and insight within the international business community. Members share interests in import and export matters, in international investment, alliance, and licensing opportunities, and – in the broader sense – doing business across the world.

The ITA/GC's focus is on practicality: on building knowledge and enabling relationships that help people do international business. While our scope of interest is diverse – all aspects of trading and commercial activity across all geographies and all industries – our work is simple: **to help others gain understanding that is personal, current and actionable.**

New events, and events with additional/revised information, are indicated in Green.
